

Severn Valley Country Park

The Cafe at Severn Valley Country Park

Our cafe, located in the visitor centre, is set within 126 acres of the beautiful Shropshire countryside that make up Severn Valley Country Park. The cafe offers a great menu, including made-to-order sandwiches, jacket potatoes, homemade cakes and many other snacks. There is a fantastic menu of delicious food available all day. See our full menu [here](#).

You can relax with a tea, hot chocolate or delicious cup of fresh bean coffee. Our fresh bean coffee offers 'a taste of Sicily'. You can enjoy an espresso, latte, cappuccino, or mocha along with a delicious slice of cake.

The cafe and visitor centre have wonderful views across the Severn Valley and is a great stop off to learn about the history and wildlife of the area. Inside the centre, there is a 'kid's corner' with activities for our younger visitors.

We have free Wi-Fi throughout the cafe and visitor centre.

We offer buffet catering for large groups and for birthday parties. We are an ideal venue to hold your special event.

More information about our birthday parties can be found [here](#).

The park itself has excellent facilities for all ages. There include a children's play area, bird hide, and way marked walks through the woodlands and along the river meadows. We have planned events in the school holidays as well as throughout the year. We have many picnic benches around the centre, and throughout the park.
