

Short Walk 3

Nearly to Morda

Grade Leisurely
Map OS Explorer™ Sheet 240
Start point Oswestry Bus Station
Distance (approx) 4.8 km - 3 M
Duration 1.5 hours
Terrain It is usually muddy in places, and there is one quite sharp steep slope

This is a walk showing the contrasts of Oswestry, starting with a walk through town, but soon out into the countryside with accompanying lovely views

Directions

Exit the Bus Station towards the Railway Tavern, and turn left up Beatrice Street

Bear left onto Leg Street

Turn right at traffic lights crossroads and walk through town

Go straight on at roundabout by the statue of man and sheep in Festival Square

At traffic light crossroads turn left onto Lower Brook Street

Turn right into Queen Street

After 20 yards or so cross over and go through kissing gate

Follow path and turn right at kissing gate

Follow path keeping cemetery to your left

At next kissing gate turn right then straight on through path in field

At next kissing gate go straight on through field

At next kissing gate go straight on

At next kissing gate, bear right - do not pass through it

Follow path and at kissing gate turn right onto road

After about 30 yards turn left over stile and bear right

Walk along with stream on your left

With houses on your left go over stile and turn right onto unmade road

Go straight over main road then through kissing gate

Follow path, keeping large house to right

Over stile and left onto lane

At the road turn left

After about 30 yards turn right over stile

Go straight up field – this is a good viewing point of mill and surrounding hills

At top of field turn right and follow edge to stile putting you on narrow path

Keep inside school playing fields until before main buildings

Turn left through gate onto road

Walk down road and turn left after the scouts hut through pathway

At end of path turn right onto Trefonen Road

At traffic lights turn left and go back through town
